Sand Lake Chronicle: Old Country Stores

The "Old Country store", an institution which has almost disappeared from the Sand Lake scene, was a vital part of the community during the 1800's and early 1800's.

The first store in town was started by Solomon Taylor in the early 1700's on a site in Averill Park on Route 66 across from where Hallett's gas station now stands. Sometime around 1800, Thomas Thompson opened

a store in the center of Averill Park near the junction of routes 41 and 66 and Burden Lake Road. The building is occupied by the Nelson Patchins today. Stephen Gregory opened his store across the road from Thompson early in the 1800's. This building is now the Variety Store.

In the Village of Sand Lake around 1830 and part of this building now houses the present

Noah's Store

Lester and Harlow also ran a store in Sand Lake. There was located at the junction of Routes 41 and 66 and Schuman Rd.

Over in West Sand Lake, G. F. Rogers opened his store on the Northwest corner of the four corners, the present site of a gas station. This was in 1870.

Mathias Youngblom also ran a store in West Sand Lake.

His was located in the present Post Office building during 1890 to the 1940's. The site also saw a store run by William H. Snyder located where Millers parking lot is now located. This store was run by Snyder's son Washington during the 1890's and 1900's.

Up in Taborton, at the south end of Lake Bowman, George and David Horton ran a store

from the 1840's through the 1890's. This was later owned by the Blakmes family and housed the Post Office from 1892 until 1942. It is now the private residence of the Robert Ernest family.

William Stevens operated a store in Silvers Corners around 1830. The building also housed the Post Office and is still standing.
