To the Supt. of Public Instruction
We the undersigned, legal voters and taxable inhabitants of school-district No. 7. of the town of Sand Lake, Rensselaer County New York do hereby appeal, and ask the election of all officers for school-district No. 7. who were elected at the annual meeting, held at Tillsons Hotel Pavilion in said district on the 22d of August 1893 — and all business then and there transacted be set aside as irregular and not in accordance with the laws regulating annual school meetings

First

The meeting was not organized at the hour named in the Code of Public Instruction, and there was no other hour voted at the previous meeting —

Second

The district clerk was chosen chairman under protest, as he was not eligible, he being district clerk at the time he was chosen chairman —

Third

There was no poll-list kept, by either the district clerk or tellers, of the voters who deposited their ballots - the ballots being received and no record made who deposited them -

Fourth -

A protest was made against the mode of receiving the ballots and conducting the election - and which protest the chairman would not recognize.

Fifth

The minutes of the previous annual meeting was called to be read, but the chairman said it was unnecessary and therefore was not read -

Answer to Appeal -

To the
Hon. Supt. of Public Instruction.
Albany, N.Y.

Sir:

We, the undersigned, trustees of school-district No. 7, of the town of Sand Lake Rensselaer County N.Y., on one of whom an appeal was served on the 13th inst., in answer thereto say:

First

That the annual meeting was held on the 4th Tuesday of August ultimo, and was organized by Alfred Carmon, one of the trustees, at 8 o'clock P.M. - after 17 days notice thereof had been given by posting in four conspicuous places in the district (see copy herewith) and the hour named was deemed more convenient for a large number of the voters who are employed in the mills in said district, and who worked until 6.30. P.M.

Second

That the district clerk was chosen chairman, as deputed, although the chairman of the meeting had acted as clerk at one or two adjourned meetings and was elected chairman by the voters of that district on that evening by a vote of 40, to his opponent's 14, - and was apparently deemed duly eligible by a majority of the voters present, if not by these appellants, - no protest was heard or entered at the time to the knowledge of these deponents.

When the chairman undertook to assume his duties, he was interrupted by one of these appellants in the middle of a sentence, and was interrupted the second time, when he was promptly called to order by the chair who said that when the proper time came everybody should have a chance to be heard; but if he was interrupted in such a manner again, he would have the officers present remove the disturber.

Third

"There was no poll list kept." neither does the law say there shall be. Chapter 500, section 5, of the laws of 1893, says, - "Said district officers shall be elected by ballot. The persons having the majority of votes respectively, for the several offices shall be elected." When the district clerk was voted for, the successful candidate had 61 votes, and his opponent 30, scattering 3. (See minutes of meeting herewith) - One of these appellants stated to the chairman that there was no poll list and they could not tell very well who voted; and he was informed by the chair, that a list had been prepared and contained the names of 154 voters; that no one had asked to have the list or roll called, that the number of ballots cast over within the known number of voters in the district & over, presumed to be correct.

The chair further stated to this appellant that he had paid particular attention to who voted, and that he had only seen one person vote

who he did not think was a legal voter, and the statement was concurred in by this appellant whose remark was "that is all I have seen"

Fourth.

"A protest was made against the mode of receiving the ballots etc" --- This is most emphatically denied. The chairman preserved the best of order, and no protest of any description whatever, was made to the knowledge of these deponents, or of the chairmen, and our hearing is not known to be defective, and two of these appellants stood by and examined the ballots as they were counted out by the tellers.

Fifth

That the minutes of the previous meeting were called for, to be read, is denied. --- Immediately after the election of the district clerk, the chairman directed the clerk to read the minutes of the last meeting and they were read by the clerk. (See minutes herewith.)

These deponents further say that the last annual meeting was adjourned for three weeks, and that meetings duly held, had, since then been adjourned from time to time until the 6th of July last when it was adjourned without day.

These deponents further say that they are at a loss to understand from the paper served on them how, or in what manner, these appellants are aggrieved or what relief is asked for.

No charge is made that any illegal votes were

cast, or that the results would have been different on account thereof.

No charge is made that any officer elected is ineligible.

No charge is made that any officer is not performing his duty as the law prescribes; but the Supt. of Public Instruction is asked to set aside as irregular and not in accordance with the laws regulating school-meetings, all the business transacted at that meeting.

These deponents also say that they have attended school-meetings in various districts in the State, and never attended a meeting where better order was maintained or fewer irregularities occurred in the transaction of the necessary business, and are therefore compelled to believe that the only irregularity or real grievance these appellants have, or a majority of them, is that they failed to elect their candidates to the different offices.

Wherefore, these deponents respectfully solicit your honor to set aside and dismiss said appeal, as having no depth or foundation upon which to base a cause of action.

All of which is respectfully submitted.

Decision of Supt. of Public Instruction
No. 4189.

State of New York
Department of Public Instruction
Before the Superintendent.

In the matter of the appeal of
Alpheus Bailey

From

Proceedings of annual meeting of
School district No. 7, Town of Sand Lake,
County of Rensselaer, held on Aug-
ust, 22, 1893.

The appeal is taken from the proceedings of the
annual meeting held in school district No. 7, Town
of Sand Lake, Rensselaer County, on August 22, 1893.

The grounds of appeal alleged are that the
meeting was not organized at the hour named
in the school laws; that the district clerk was elec-
ted as chairman of the meeting, under protest;
that no poll-list was kept; that a protest was
made against the mode of receiving votes etc -
which was not recognized by the chairman; that
the minutes of the previous annual meeting were
called for to be read; but the chairman declared
it unnecessary and such minutes were not read.

The appeal is signed by the appellant and
eight others, but is verified by the appellant only.
No other proofs were presented in support of the
appeal - - An answer has been interposed

signed and verified by the three trustees of the district; and the statements contained in the answer are supported by the affidavits of thirty voters of the district. — Annexed to the answer is a copy of the proceedings of the annual meeting held in said district, certified by the district clerk.

It appears from the proofs presented that the annual meeting was not organized until 8 o'clock P.M. and notices had been posted in said district, naming 8 o'clock P.M. as the hour of meeting. — The statute fixes the hour at which the annual meeting shall be held at 7.30 p.m. — A district may, by a vote at a previous meeting, fix the hour. The time being fixed by statute the regularity of the annual meeting does not depend upon any call by trustees or the clerk of the district. — No authority exists for holding the meeting before the designated hour; but a meeting may be legally held if convened after the hour designated.

The proofs presented fully answer all the other allegations contained in the appeal, and fully sustain the legality and regularity of the proceedings had and taken at the annual meeting held in said district. — The appellant has not sustained his appeal by a preponderance of proof and the appeal should be dismissed.

Appeal dismissed

This decision must be filed with the clerk of said school-district No. 7, Town of Sand-

Lake Rensselaer County, and notice thereof to be by him given to the Appellant and Respondents with opportunity to examine the same.

L. S.

In witness whereof, I James F. Crooker State Superintendent of Public Instruction of the State of New York, do hereunto set my hand and affix the seal of the Department of Public Instruction, at the city of Albany this 31st day of October 1893.

 Before the Superintendent

In the matter of the Appeal of

Willard A. Bullis

vs.

Board of Trustees of
 School District No. 7,
 Town of Sand Lake
 Rensselaer County

Albert Kilmur..... Attorney for Appellant.

The appellant in the above entitled matter appeals from the decision of the trustees in refusing to permit his children to attend the school in district No. 7, town of Sand Lake, Rensselaer County.

The appellant alleges in his appeal that he is a resident of such school district; that prior to February 7th 1897, his children who were attending the school in such district No. 7 were forbidden to attend therein upon the ground that they were not residents of the district; that on February 7, 1897, he addressed a letter to the trustees of such district, stating that he had good reason to believe from the records on file in the office of the town clerk that such chil-

-dren are residents of the district and demanded that such children be received into the school as residents of the district; that such trustees denied such demand.

It appears from the maps and papers filed by the appellant to sustain his appeal, that on or about July 31st 1813, the commissioners of schools for the town of Sand Lake formed a school district in said town known as district No. 13: that from such order and the map filed herein the land on which the appellant now resides was included within the boundaries of said district No. 13, that the number of said district was subsequently changed to district No. 7; that on or about March 13, 1880, Gardner Morry, School Commissioner for the second district of Rensselaer County filed in the office of the Clerk of the town of Sand Lake, an amended record of the boundary line between district No. 7 and district No. 2, of such town, including in district No. 7, the house and land then occupied by Peter Midnight and formerly owned by Nodiah Smith.

No answer has been made to the appeal herein and under the rulings of this Department, the allegations contained in the appeal are deemed admitted as true.

Upon the papers filed herein, I decide that the appellant herein resides on the road

to Crooked Lake and north of the boundary line as established in 1813 as the southerly boundary line of district No. 13, now district No. 7, and being such resident, his children of school age residing with him, are entitled under the school law, to attend the school in district No. 7, for.

— The Appeal herein is sustained —
It is Ordered —

That the trustees of school district No. 7, town of Sand Lake, Rensselaer County, be, and they are, hereby ordered and directed to receive into the school of such district the children of school age of the appellant Willard A. Bullis, residing with him here, as children of school age residing in such district.

This decision made in triplicate, must be filed one part with the clerk of school district No. 7, one part with the clerk of school district No. 2, and one part with the clerk of the town of Sand Lake, Rensselaer County, and notice thereof be given by the clerk of school district No. 7, to the appellant, with opportunity to examine the same.

In witness whereof, I, Charles R. Skinner
L. S. - our State Superintendent of Public Instruction do hereunto set my hand and affix the seal of the Department of Public Instruction, at the City of Albany this 9th day of March, 1897.

August 2d, 1897.

The Board of Trustees of school district No. 7 of the town of Sand Lake met at the office of Town Clerk Crape on the above date all the members being present — at 8 o'clock P. M. — for the purpose of considering applications for the position of principal and assistant in said school district for the school year of 1897 & 1898.

The district clerk, Ephrus Bailey not being present, trustee E. M. Hack was chosen clerk.

After mature consideration of the different applications on file, the board by a unanimous vote decided to employ Mrs. Sarah A. Geer as principal of said school in district No. 7, — at a salary of twelve (\$12.00) per week, and Miss Alice Van Dyck as assistant in said school at a salary of seven (\$7.00) dollars per week for a term of forty weeks.

There being no other business before the board it adjourned sine die.

No. 4537.
State of New York
Department of Public Instruction
Before the Superintendent

In the matter of the Appeal of

Willard A. Bullis

vs.

Board of Trustees of
School District No. 7.
Town of Sand Lake
Rensselaer County

This is an application of William H. Shrader as trustee of school-district No. 2. town of Sand Lake Rensselaer County, to have vacated the decision made by me in the above entitled appeal on March 9. 1897, and for a re-hearing of such appeal.

The applicant herein alleges that the Appellant Bullis is a resident of school-district No. 2. of Sand Lake; that he had no notice of the appeal herein, and hence no opportunity to present proofs to establish that said Appellant resided in district No. 2. instead of district No. 7. as claimed by Bullis, and as decided by me in my decision.

The proofs and papers filed upon this ap-

plication on the part of the applicant and said Bullis are quite voluminous, and have received careful examination and consideration.

It appears that on July 31, 1813 the commissioners of schools for the town of Sand Lake created a school district to be known and distinguished as school district No. 13; that the southern line of such district included within such district the lands then owned or occupied by John Albertson, Nodiah Smith and the lands now occupied by the Appellant Bullis, excluding land of Clement Slater and including land of John Upham; that subsequently the number of such district was changed to 7; that the southern boundary of such district has never been changed; that on March 13th 1880 School Commissioner Morry filed an amended record of such southern boundary line in which he stated that the house and land then occupied by Peter Midnight and formerly owned by Nodiah Smith was situated within such district No. 7; that in the order forming school district No. 2, it appears that the starting point was on the line of the town of Nassau at the corner of school district No. 1, and ran northerly including land of Joel Bristol and Bethel Bristol, George Taber, Lambert Whitbeck and Whiting Parks, and thence easterly, including land of J. Abraham Hadden, Philip Burghdief and E. Smith, and

thence southwardly including land of Sampson Horton and Thomas Upham, and thence south to the Nassau town line, including land of John Belknap, and thence along the town line to the place of beginning; that no proof has been made herein that the boundaries of district No. 2, have been altered since the district was formed.

It further appears that on or prior to February 1st 1858 one William Smith became the owner of a parcel of land situate in the present school district No. 7, adjoining the farm of said Smith; that there were no buildings upon such parcel of land, said Smith residing in a house upon such adjoining farm in district No. 2; that on April 1st, 1872, said Smith conveyed twenty acres of such parcel of land so adjoining the farm upon which he resided, being the most northerly point thereof, and lying east of the road from Sand Lake to Crooked Lake, known as the eastern turnpike, to one William Stevens; that at the time of such conveyance to Stevens there were no buildings upon such twenty acres; that said Stevens built a house and barn upon said twenty acres and resided in such house, and on December 31st, 1880 said Stevens and his wife conveyed said twenty acres to Emeline Bullis the mother of the appellant in the above entitled appeal and the respondent in this application, and

said Bullis and his wife, ever since, have and do now, reside therein; that said Bullis sent his children to school in district No. 7. and was assessed for and paid school taxes therein; that subsequently he was assessed for and paid, under protest, school taxes in district No. 2 that in the year 1894 said Bullis, not finding in the office of the clerk of the town of Sand Lake any record of the boundaries of the school-districts of such town made application to Lewis N. S. Miller then School Commissioner for the Second Commissioner District of Rensselaer County to have the said land owned by his mother set off into district No. 7. and on May 2nd 1894 such school commissioner made a preliminary order, upon the consent of the trustees of district No. 2. (this should be No. 7) setting off said land from district No. 2. to district No. 7. that proceedings were had for the hearing of objections to such order which resulted in such preliminary order being vacated; that afterwards the records of the boundaries of school district No. 13. (now No. 7) and of district No. 2. were found in the office of the clerk of the town of Sand Lake and thereupon said Bullis requested the trustees of district No. 7. to admit his children to the school-in such district which was refused and thereupon he brought the above entitled appeal and a decision was rendered sustaining such appeal.

I am of the opinion, upon the proofs presented upon this application to vacate my decision made in the appeal herein on March 9th 1897 and for a re-hearing of the appeal herein that such application must be denied.

Such proofs establish to my satisfaction that the Appellant Willard A. Bullis resides on the road to Crooked Lake, and north of the boundary line as established in 1813 as the southerly boundary line of school district No. 13. now district No. 7. and that he is a resident of school district No. 7. and being such resident, his children of school age residing with him, are entitled, under the school law, to attend the school in district No. 7. free.

The application made therein by Trustee Schrader of school district No. 2, town of Sand Lake, Rensselaer County, to vacate my decision made March 9th 1897, in the above established appeal, and for a re-hearing of such appeal, is dismissed and such application denied.

This decision made in duplicate, must be filed, one part with the clerk of school district No. 7 Sand Lake Rensselaer County and one part with the clerk of school district No. 2. Sand Lake Rensselaer County, and notice be given by such clerks to the trustees of the respective school-districts with opportunity to examine the same

Trustees Meeting

Avrill Park Aug. 9th, 1902

The "Board of Trustees" of school-district No. 7, of the town of Sand Lake met pursuant to agreement at the office of trustee Boyce on the above date. Present all the members - viz. Boyce, Horton, Richard and clerk Shiner, for the purpose of considering applications received for the positions of principal and assistant in the school for the school year ending in July 1913.

Applications from Wm. H. Hoag of Nassau, W. Earl Waterbury of Nassau, Fannie M. Bissell of Avrill Park, Jessie E. Adams of Eagle Mills, (Mrs) Elizabeth Sebolt of Rensselaer and Clarence E. Corns of East Boretenkill for the principal and Effie M. Cippertley of Billings for ^{primary dept.} assistant or the primary department were laid before the meeting.

After deliberating for a time the "Board" concluded to employ (Mrs) Elizabeth Sebolt of Rensselaer for the principal and (Miss) Effie M. Cippertley as assistant and the Clerk was directed to communicate with the respective parties.

At this juncture Miss Cippertley appeared and she was informed of the Board's conclusion, and it being acceptable to her a contract was immediately signed, in duplicate, employing her in the primary department for a period of forty (40) weeks at eight (\$8.00) dollars per week.

The Board then took a recess until Tuesday

evening at 8.0 clock P. M. to give the clerk ^{time} to communicate with Mrs. Sebolt.

Tuesday evening Aug. 12th 1903.

The "Board of Trustees" reconvened at the office of trustee Boyce on the above date all the members present including the clerk.

The clerk reported that he had written Mrs. Sebolt on Saturday evening and mailed the letter, that he had requested her to appear in person, if possible, but had not received a reply. The clerk was requested to see Mrs. Sebolt in person if possible and access was taken until Saturday night at 8.0 clock P. M.

Saturday evening Aug. 16th 1903

The "Board of Trustees" reconvened at the office of trustee Boyce on the foregoing date all the members present including the Clerk.

The Clerk reported that he had called on Mrs. Sebolt personally & she stated she had not received the letter in time to appear personally or by letter by "Tuesday night" and considering the matter closed on her part, had accepted a situation with another school the next day.

It was also reported that applicants, Hoag, Waterbury, & Bissell had been employed elsewhere, and the Board then decided to employ Miss Jessie E. Adams of Eagle Mills, at ten (\$10.00) dollars per week. The clerk was directed to notify Mrs. Adams which was done & a reply received accepting the same.

Albany Nov. 2d. 1910

Mr. Christopher Crape

Sand Lake N.Y.

Dear Sir:

About four weeks ago, Inspector Hall of this Department made an examination of the school building of your district.

It appears from his report that the building is in fairly good condition, having just been painted. He states, however, that the lighting is deficient and that the windows are not properly located; that the two rooms are heated by stoves and that there is no system of ventilation. It appears that the building has a good basement and that with little expense, it would be possible to install a good system of heat and ventilation. He also states that additional windows

1910

can be placed in the rooms to give the required amount of light. - The system of heat and ventilation and additional windows are highly essential to the welfare of the pupils and the district should make an appropriation to carry out these improvements. - The site seems to be too small and there is a certain piece of land in the rear which should be purchased by the district.

I trust that some action will be taken to provide these improvements.

Yours, respectfully

C. W. H. C.

A bill of Crick Crape for wood furnished school amounting to \$4.⁰⁰ and an account of John Dobler for services in oiling floors of \$2.⁰⁰ was audited and orders on the Collector was drawn. An order for the Supervisor to pay the collector all money due the district from the public school fund (about \$116.¹⁴) was also drawn and given trustee Rendert to deliver to Collector Carmon.

Applications from teachers for the coming school year received, were then taken up, and after mature consideration the Board decided to employ the present teachers for the school year 1913 & 1914 for a term of 40 weeks commencing September 2d 1913 to wit Katharine Teresa Nicholson - Principal @ \$12.⁰⁰ weekly, Mary L. Kelly Assistant \$10.⁰⁰ weekly.

Each teacher applied ^{orally} for an increase in her salary but as the appropriation for teachers wages had already been made it was impracticable to comply - but they were informed that if services were satisfactory during the coming year an application for an increase would be considered. The Board then adjourned subject to call.

muddy and stormy weather, to fill the water tanks in the morning and at noon, to sweep paths in snowy weather and drifting snow, & all to be performed in a workmanlike manner, to be paid monthly or when the season is half over or at the end of the season as the janitor may elect.

October 10th 1913

The following letter was presented by Trustee Rensdort at a meeting of the Board of Trustees
"Trustees of Arrill Park school."

Gentlemen,

We, the teachers of the Arrill Park school desire an increase in salary as the registration in each room exceeds the limit required by law. The actual attendance in the smaller room is 45 pupils & in the larger room it is 47 pupils. Although we have each labored in our respective positions for four years we have never received any increase in salary. Although a request was made for same last May.

In case our request is denied, please make provision for the instruction of the excessive pupils.

Very truly yours,

Katharine T. Nicholson
