Mr. Dale Lynch, Manager  
Santa Barbara Savings & Loan: Arroyo Grande Branch  
11 99 Grand Avenue  
Arroyo Grande, California 93420

Dear Mr. Lynch:

It was pleasant meeting with you on Monday, August 12.

This letter is to confirm the arrangements I made with you that the NIPOMO DUNES NATIONAL SEASHORE GROUP may have the use of your Santa Barbara Savings and Loan meeting room at 1199 Grand Avenue, Arroyo Grande, on the third Monday night of each month, beginning August 19, 1985.

Our meetings begin at seven o'clock and run for two to three hours. We understand that we may use the restroom, also. The key to the Elm Street door of your meeting room will be picked up on the day of our meeting each month, during your regular business hours, 9 to 4:30. Usually I will be the person coming for the key, as I am secretary of the Group. However, as I will be out of town on September 16, or anytime when I am unable to do this errand, some member of our Group will be delegated to do it.

We understand that there is no charge to us for the use of your meeting room. We shall indeed comply with your request that we leave the room in order as we find it.

Enclosed is a list of our current regular members. From time to time there may be other participants or attendees.

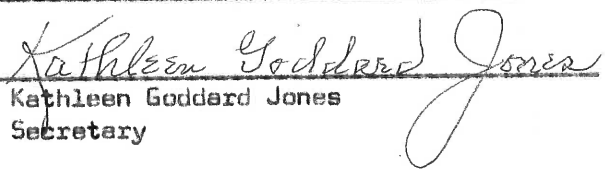

We understand that at the new year, 1986, we will need to apply to you again for renewal of permission to use your meeting room.

Your accomodation to our need is warmly appreciated. We will honor your generous hospitality. Thank you very much.

Sincerely,

NIPOMO DUNES NATIONAL SEASHORE GROUP
