Dear Nipomo Dunes Walking Companion(s):

Thank you for coming along last Saturday. What a beautiful day it was!

Enclosed is a memo about the new series of "stone" walks I shall lead to COREOPSIS HILL every single Saturday - until enough stones are collected to build a modest monument there. This is in appreciation to (Portuguese) Lena Enos and her family. She has welcomed all people to come and enjoy the colorful wildflowers of Coreopsis Hill for 32 years. She calls this flowering dune "My flower garden." She is 95 now and frail.

The walk is short - from 10 a.m. to 2 p.m. Bring lots of friends, each with a stone and a small lunch. No reservations are necessary. Meet at Oso Flaco Lake Parking Lot - no charge - because we will drive back a mile and park along Oso Flaco Road - and walk in on a farm road to Coreopsis Hill.

Hope to see you - sincerely,

*Kathleen Goddard Jones*
