Dear Kathy and Gaylord:

Yes, I made the plane on time. Thanks so much for your invaluable help -- both as my guides yesterday, and as my photo library. I will return the slides we are not using as soon as the art director and I have made a final selection. The rest will be returned soon after printing. I think you will be very pleased to see them reproduced in color in the magazine. Naturally, I will give Gaylord credit in the story.

I am enclosing copies of the magazine, as promised.

Cordially,
