Dear Kathy,

Thanks very much for your recent note and packet of materials. Unfortunately it did not arrive until yesterday; however, today I received your postcard regarding the county supervisors' unanimous vote on the LCP. Congratulations! A well deserved victory.

I will do what I can to get Parks to comply with the Coastal Commission permit conditions.

ACRES* [ We are still trying to secure the conservation easement from Leroy. There continues to be some disagreement over liability but we will push the thing through in the next few months. We'd then like to work on acquiring the Mobil property to the north.

Anyhow, it was great to hear from you. Once again, I am deeply impressed by your continuing commitment and enthusiasm. You are indeed an inspiration.

Sincerely,

*Steve*
