Dear Mr. A. Crites II

In response to your letter which was sent to my father Mr. H. Schievink, 109 Oshawa Blvd. N. July 29.

We were all shocked to hear of the death of my uncle, yet not hearing from him at all we kind of suspected that maybe he had died.

I wrote to my uncle many times about five years ago, the only address we had was Box 5000 Oceano Calif. The letters I wrote and the birthday cards my mother use to send were never returned to us, so I figured he must have received them. I begged him in my letters even just to send a postcard just to let us know that he was still there and living but I never did get an answer. After the years I stopped writing, but now I feel as if maybe I should have continued.

I have so many questions I would really like to ask of you and I hope you don't mind to answer a few for me, or maybe send me the address of Harold B. so I could write to him also.

You mention in your letter to my dad that

we do have addresses of my uncle's friends
and relatives, if you wouldn't mind to send
them to me especially any of the relatives names
for I didn't know at all that there were any.

I know it must seem like a lot that
I am asking but I was very interested many
years ago to keep in contact with him and
now I would like to know if he did or
didn't receive my letters or cards.

I am anxious to hear from you and I
do appreciate it very much.

Yours truly

Geraldine Rupke (nee Schievink)
