

T. W. & C. B. SHERIDAN, NEW YORK AND CHICAGO

The New "Donnell" Stitcher, No. 3½

This machine has the new straight feed which is a great advantage and will stitch from one sheet to three quarters of an inch, and is so simple that any one can run it; has both saddle and flat table, uses either flat or round wire, and quickly adjusted.

Price, - - - \$300.00.
