

Cloth Slitting Machine

A very desirable and economical Machine, and almost indispensable in a Bindery having large editions of cloth work.

Cuts and rewinds the entire width at one time.

Price, with Ten Knives, \$125.00

The Daniels Bookbinders' Gold Saving Machine

This machine, of which we are sole agents, has been in practical and successful use since 1885. It has thoroughly demonstrated that it is the most perfect and greatest gold-saving machine ever used by bookbinders.

Speed, 300 revolutions. Price, \$400.00.
