Dear Mr. Oka:

Last year we had some corrospondence about your making some drying boards for me. You stated that the boards had to be made in the summer. As I did not hear from you nor receive the boards I assumed that it was too late but that in the summer of 1970 they would be made. But so far no word from you and I wonder if I have misunderstood. I do want some but have decided that two (2) frames, no longer than four feet each, would be sufficient for me. So if you have not already made them may I make this change. However if they are started or made please ship them to me .

I am inclosing a check for \$100.00 as partial payment and will send the balance when you send me your bill which should include the shipping charges.

Thank you for your past kindness ans my warm greetings to you, your family and Mr. Kelman.

Sincerely.

P. . Will you also please tell me how they are made!
