Trip with Maurice Nicole

April 13 Friday, 1984

Beautiful day - clear - warm

Bobby left for New York at 8 AM

Maurice was at the door before

9 a.m. I was all ready. we stopped

at the bank to make a deposit &

off to Maurice & Ken's apt. Had

a cup of coffee & crumpets. Ken

drove us to the airport. 12:30

Their apartment is really

full of lovely things.

The plane was not full

so that we had 3 seats for

the two of us. Crazy movies

two of them. Two meals, not bad

free wine & liquors. Tokyo

Arrived at Nanta at 4 PM Sat.

Lost a day. Walked to mono-

rail into Tokyo then under-

ground (?) to Shinjuku station

nearest to Asia Center of Japan

where I'm staying. Took a taxi

as we were both pooped.

Carrying luggage 2 blocks
to Monorail, then up & down
several stairs to under ground.
Maurice left for his youth hostel
I took a shower & to bed. Very
small room & bath but clean
& comfortable. Not much sleep
awake every two hours.

Have decided to leave suit case
here at Hotel and carry only
shoulder bag (from Maurice Senior)
+ plastic bag with umbrella that
Betty gave me for Christmas, when
we go to Korea.

After breakfast, amfuld mummy
toast, rearranged clothing, (Chau
too much) + waited for Maurice
to call. At last at 10:30 he did.
Could not get accomodation at his
favourite hostel (he had not made a
reservation) + had to go to Yokohama!
We will meet at Masabu's, at 4 PM.
