

WARRANTY

Fuller Company warrants products of its manufacture to be free of defects in material and workmanship if properly installed, maintained, and operated under normal conditions with competent supervision. Fuller Company agrees to repair or replace FOB factory or authorized Service Center as designated by Fuller Company, any part or parts which within one year of installation shall be proven to Fuller's satisfaction to have been defective when shipped, provided that this equipment has been put into service or installed for service within six months of shipment from the factory, and further provided the Purchaser promptly notifies the Seller, in writing, of such defects and promptly delivers the defective part in accordance with Seller's shipping instructions, delivery prepaid. Fuller Company's liability for damages caused by such defective part or parts shall be limited to repairing or replacing the defective part or parts as aforesaid. Fuller Company shall not be liable for loss, damage, or expenses directly or indirectly arising from the use of its products or from any other cause. It is expressly understood that we are not responsible for damage and/or injury caused to buildings, contents, products or persons by reason of installation or use of any of our products. Equipment and accessories furnished by us, but manufactured by others, are guaranteed only to the extent of the original manufacturer's guarantees to Fuller Company. No allowance will be granted for any repairs or alterations made by the Purchaser without the Seller's written consent. No liability whatsoever shall attach to the Seller until said products have been paid for.

THE ABOVE WARRANTY SUPERSEDES, AND IS IN LIEU OF, ALL OTHER WARRANTIES EXPRESSED OR IMPLIED; and, no person, agent, representative or dealer is authorized to give any warranties on behalf of Fuller Company nor to assume for Fuller Company any other liability in connection with any Fuller products.
