

## STOCK SHEETS

Dieu Donne stocks a line of handmade papers which are all 100% cotton and/or linen rag and/or abaca. All paper is lightly sized internally and buffered with calcium carbonate for a pH level between 7 and 8. Artist quality pigments, natural tones from the rag itself or decorative additives are included in many of our papers. Color may vary slightly from order due to variation in materials. See facing page for pricing. A sample packet of 18 stock papers (4" squares) is available for \$10.00/packet. Also available: Limited supply of artist-designed papers. See "Other Products".

### THE ART OF PAPERMAKING

Book by Bernard Toale, 1989, 136pp. We highly recommend this comprehensive book on papermaking. \$20

## ARTIST-DESIGNED PAPERS:

### #3 Bookbinding Paper

Designed and produced by artist Marco Breuer, these tough and beautiful papers are perfect for bookbinding purposes. Adapting a technique used in making Japanese "momigami" paper, Breuer ties, beats, wrings and air-dries cotton rag paper to produce these strong and unique papers. Color: off-white, Size: 16" x 22". \$20/sheet.

### #4 Indigo Flax Paper

Produced by Dieu Donne apprentice Brian Molanphy, this paper is suitable for a variety of decorative purposes. Brian formed thin 18"x24" sheets on a laid mould with a very refined flax pulp, deeply colored with indigo pigment. \$15/sht.

### Onion Skin Paper

Produced by Dieu Donne Program Director Helen Hiebert, this paper is suitable for a variety of purposes. Helen boiled onion skins and mixed them into a vat of abaca to form thin, 30" x 40" translucent sheets of abaca and onion skin paper. \$20/sheet.
