according to your account please let me know and I will remit any difference.

All the packages arrived in very good condition, the last one just two days ago. I was a little disappointed in the dyed paper. It does not have the same beautiful finish that the paper made last year, rather two years ago, has.

I thank you very much for all the trouble this may have caused in ordering and then packing and mailing. They all came through as GIFTS.

Best regards to you and Mr. Kelman.

Sincerely,
