

This Cutter embodies the result of Sixty Years of Labor and Experience. Has all the desirable features of our well-known "Auto" Cutter, with the advantage that Both Clamp and Knife are Drawn Down from Both Ends, with No Reverse Motion of Gear, thus securing an absolutely noiseless machine, with a positive and very powerful auto-clamp motion. It is the heaviest and strongest Paper Cutting Machine ever put on the market. All gears are cut and all shafts of steel. It is built in the very best manner of the best material, and we Unhesitatingly Guarantee it for the heaviest as well as the most accurate work.
