*Mme Eliza Nicole, with  
scant help from husband Amadée,  
proudly named her first & only daughter*

*Stella Azilda Marie Laure.*

*On November 1, 1897,  
her first birthday was celebrated in  
Montreal. Eight months later  
Eliza gave birth to Stella's brother  
Maurice. At the turn of the century the  
family moved to San Francisco and  
survived the 1906 earthquake.*

*Eliza recognized her daughter's independent and unbending spirit at an early age. She told her repeatedly, with a sigh of French exasperation, that if she ever had the misfortune of falling into the river, they would have to look for her upstream...and indeed Stella has lived, in her own way, a remarkable life and career much admired by all of us.*
