

"Sento con Amore"

To my family

To my friends - all who by their encouragement and material help made it possible ^{for me} to make this trip. I give you my thanks. It has been a wonderful full year and I hope to make use of the knowledge acquired to prolong the life of many valuable books and manuscripts.

~~This is written as the scribes of old~~
~~wrote on~~

This is written on hand made paper from Italy and in the manner of scribes of ^{Italy} ~~which~~ much ^{of this} is still done in England.
