Dear Mr. Oka:

For some time I have been expecting to hear from you regarding the drying boards. I remember you did say in one of your letters that they had to be made in the summer months. I am still interested in having some made but am reluctant to press you for their completion for you may be too busy. If this the case please do not hesitate to say so.

Thank you for your past courtesies and please except my warm regards to you and your family also Mr. Kelman and all the young men who are fortunate to be working with you.

Sincerely,
