

Case Maker

NOT A THEORY, NOT AN EXPERIMENT, BUT A PRACTICAL WORKING MACHINE

A necessity to every large Cloth Bindery, it saves time, it saves glue, it saves money, and it produces a better Case than can be made by hand, at only a fraction of the cost.

Makes Cases from 6 in. x 10 in. to 10½ in. x 16 in., is easily adjusted for thickness of book, or size of boards, and will turn out from 800 to 1000 complete Cases per hour, from roll of cloth. It glues the cloth, applies the board and back lining, cuts cloth crosswise and for corners, folds same and passes them through Case Smoother, with aid of one man and two boys (or girls.)

We furnish also Cloth Slitting and Winding Machine. We furnish man to set up Machine and instruct operator, purchaser paying man's expenses only.
