Dear Mrs. Patri:

Thank you for the check of \$99.00. The use of the Banker's check is most convenient for me. Since we sent the paper to you at the end of June it could not yet have arrived. If there is an inordinate delay, however, please let me know by around the end of August. But I think that such a delay is unlikely.

Please let us know if you have any further needs. We will be glad to help you.

My family and I and Mr. Kelman send warm regards to you.

Sincerely,

*Iwataro Oka*
