Enterprise Barn Door Bolt

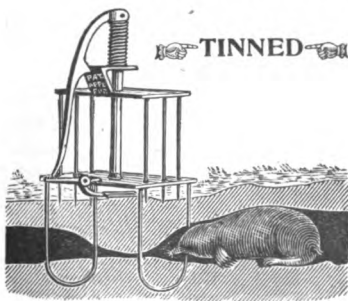

THIS Bolt will be found useful for Barns, Stables, etc., as it can be operated either from the inside or outside.

7 inch, \$2.50 per dozen.

9 inch, \$3.25 per dozen

Packed six dozen in a case

Mabbett's Mole Trap

The track of a mole is indicated by a ridge on the ground. Press this ridge down at one point with the foot. Then place the trap in position as shown, with the Trigger resting on the depressed spot. Do not leave Trap in one place more than 24 hours; if the mole is not caught in that time he has established another route.

Price, \$18.00 per dozen

Packed one dozen in a case
