

ENTERPRISE Tobacco, Root and Herb Cutters

OUR Tobacco Cutters are undoubtedly the best in the world. The blades are of tempered steel, and in cutting have a draw cut movement which is very effective. Other Cutters have been put on the market, imitating ours in shape and finish, but inferior in mechanical principle and construction.

No. 1—Cuts Plug $4\frac{3}{8}$ inches wide	-	-	-	-	-	PRICES
No. 2—Root Cutter, cuts $4\frac{7}{8}$ inches wide	-	-	-	-	-	\$1.75
