Subject: Friends of the Bolton Library program

*this will
missy - be in the
cafeteria instead
of the Caffey Annex*

The Friends of the Bolton Library will hold a program to honor veterans of the CCC at a reunion on Saturday November 3, 2001, from 9:30 a.m. till 1 p.m. The Historical Assn. of Central Louisiana will also assist and the Sheriff is furnishing a free lunch for all attendees.

We would like to hold it here on campus for more publicity for LSUA. May we use the Caffey Annex? The Friends had applied for an LEH minigrant but were turned down so we won't be able to have Jerry Sanson give the major address and the Friends and the HACL will pick up the postage and coffee. But with no grant funds for facility rental we hope LSUA can either let the Friends use the Caffey free or at very minimum cost. Kisatchie National Forest Supervisor Lyn Neff and State Forester Paul Frey, and State Parks Director Dwight Landreneau will hand out the certificates to the CCC veterans who worked for those three agencies. By the way, there is no home LSU game that Saturday and we want you to welcome the group. Tape recordings of CCC memories will be added to the LSUA Archives. (Did you know that Sherman Roberts had been in the CCC?) Thanks for considering this, Anna

Anna -

*This is great! We can
use Caffey (if available) at
no charge. Check on room
reservation + get going on
it.*
