4. Project Participation

Please give a comprehensive description of how your expertise will be applied to the proposed project, and outline in detail what your role will be.

I will serve as the scholar who discusses the devastation of Louisiana's forests and how Kisatchie National Forest was established thus providing an urgent need and location for CCC Camps. I will also lead the discussion on how the state's timber industry would not have its present success without the foundation work of the CCC, also evaluate the role the CCC had in preparations for WWII.

I will also serve as Project Director, tending to the myriad details of arrangements and preparing the final report. I have served as Project Director for many previous LEH funded programs.
