If his plans change, we hope he can come to the program on Nov. 3, 2001 at the "Old Lecompte School" and present certificates to CCC veterans who helped build Chicot State Park, Fontenbleu, and Evangeline. We also want his assistance in displaying pictures of CCC work.

Also please have your office get names and addresses of CCC veterans. Any questions, please call me at (318) 473-6437
