

LOUISIANA FORESTRY ASSOCIATION.

ATTEND THE THIRD SOUTHERN FORESTRY CONGRESS  
ATLANTA, GA, JULY 20-22

Urania, La.  
June 27, 1921.

To the Members of the Association

On Saturday, July 9, at 7:15 A. M., a special car attached to the regular N. O. G. N. train for Bogalusa will carry YOU to the Magic City for the annual field meeting of the Association. From Bogalusa automobiles will convey you to the Louisiana Summer Forestry Camp. There, in the shade of towering pines and graceful hardwoods, and with the murmur of Bogalusa's waters also in your ears, you will hear some first-class speech-making. We think the Governor will be on hand to deliver one of his stimulating addresses. Colonel Sullivan, whose guest you will be from the time you leave New Orleans until you return on Sunday morning, will welcome you to Bogalusa. And so on.

After a barbecue under the pines, and maybe a swim or a little fishing, you will return to Bogalusa via some of the Great Southern Lumber Co.'s reforestation projects, and spend the rest of the day and as much of the night as necessary (they run night shifts at Bogalusa) in seeing the biggest sawmill in the world, the pulp and paper mills, and the many other interesting sights of the town.

That night you will be cared for at the Pine Tree Inn. At 7:35 the next morning the special car will take you back to New Orleans, arriving at 10:30.

You can't afford to miss this trip—a day in the woods and in busy mills, entertaining and instructing. You will never find more generous and delightful hosts than the Mayor and his fellow Bogalusans. Write the Secretary—Treasurer, New Court Building, New Orleans, that you are coming, enclosing one dollar (\$1.00) for annual dues to the Association. His receipt will be all you will need to present at the gate of the N. O. G. N. to insure your participation in the entire trip.

Sincerely yours,

Henry E. Hardtner,

President.

P.S. If you live nearer Bogalusa than New Orleans, or prefer some other route, join us at any point along the line.
