Dear Secretary Jones,

Thank you so very much for being part of our CCC Reunion program at LSUA on November 10, 2001.

The Civilian Conservation Corps veterans really appreciated your praise for their contributions in saving our nation's natural resources and playing an important part in developing Louisiana's first State Parks. From now on, they and their families will have a new sense of ownership in our State's parks.

Again, let me tell you how much we appreciated your coming to the program. It was certainly a huge success.

Sincerely,
