To: La. Endowment for the Humanity:

It is a great pleasure that I recently learned of the up-coming  
Civilian Conservation Corp state wide convention to be held,  
November 3rd. 2001 in Lecompte, La.

Due to the aging of our CCC membership, I think this is very timely.  
I am very happy and willing to be a part of this, working with Dr. Anna  
Burns and others.

Sincerely,
