

Crowell & Spencer Shay #1

Built by the Lima Locomotive & Machine Co. Lima, OH, in February, 1902 as shop #482.

#1 weighed just over 20 tons, and had a tractive effort of about 8200#. This photo was taken by Stamps Crowell in the summer of 1895 on the Long Leaf tramway. #1 was finally scrapped at Long Leaf in 1955 after being retired in 1929.
