Dear Dr. Sartisky:

On behalf of the Historical Association of Central Louisiana, we are again very pleased to be co-sponsors for a public program we hope will be funded by your organization.

This program, "The CCC: The Great Depression Fighter", will not only honor the few remaining CCC veterans, but also give the younger attendees an insight into the hardships of the Great Depression and the role of FDR's New Deal.

Thank you and the LEH Board for considering this application.

Yours Truly,
