

Dolphin Swimming and Boating Club, Inc.

BOAT HOUSE
FOOT OF VAN NESS AVENUE
SAN FRANCISCO

July 10, 1922.

To the Officers Members of the
Dolphin Swimming and Boating Club:

WAKE UP! DOLPHINS

How long are the young and able bodied members of our Club going to stand by while a few REAL Dolphins try to conquer the stiff competition offered by our rival rowing clubs. Don't expect to be petted and sent special invitations to take a hand in any rowing or social activities because you will probably wait a D--- long time. Nobody is the looser but yourself when you fail to take advantage of the good time offered at all our "doings", so why not get in and work for your club, instead of seeing how much you can work the club for. When you first took your oath as a member you pledged yourself to share the burdens which are necessary for our organization to keep step with the others but strange as it may seem very few have felt the honor to stay by their word. From general appearances about the boat house it is a case of "me first" and to H--- with the other fellow. The sooner this enviroment is wiped out the better it will be for us all.

Has it ever occurred to you where we would be to-day if the charter members of our club revolted every time they had their feelings hurt. Don't use your little hammer to "knock" with, but use it to build up a club of 100% Dolphins that will make them all sit up and take notice.

The next event in way of social will be the Sunday afternoon Dance at the Boathouse on July 30. "Al Liebs Orchrestra" with Roberts-at-the Beach will be at your service again. Don't forget every affair needs your help so boost and lend a hand.

The next regular meeting of the Dolphin Swimming and Boating Club will be held in Judge Graham Courtrooms on Wednesday Evening, July 12 at 8:30 p.m.

Sincerely yours,

LAWTON HUGHES

Recording Secretary.
