

# Dolphin Swimming and Boating Club, Inc.

BOAT HOUSE  
FOOT OF VAN NESS AVENUE  
SAN FRANCISCO

San Francisco, Cal.  
October 6, 1921.

Fellow Dolphin:-

Subject --NEW BOATHOUSE

At present the Dolphin Club has about four thousand dollars in the Treasury; and according to our committee on the new boathouse the complete structure is estimated to cost between twenty and thirty thousand dollars.

That means that the Club must issue to its members bonds to the extent of twenty thousand dollars.

Perhaps this may seem too great an obligation but remember that "Anything worth doing at all, is worth doing well" and surly the Dolphin Club is worthy of the best.

Now you have, no doubt, noticed the financial success that has favored our social affairs of late and in view of the fact that we are not quite ready to build, a "MASQUERADE DANCE" for the benefit of the proposed New Boathouse will be held on Saturday Evening, November 12, 1921.

The two tickets enclosed for your disposal have complete information and I trust that with such attractive inducements as the "GOLD WATCH" and our "ANNUAL MASQUERADE" combined that you will lend your entire efforts in making this affair a success.

At the present time a very large percentage of the membership have not interested themselves in committee work, so if you feel that you have been negligent in this respect, I presume that you can at least dispose of these tickets.

THIS IS A TIME WHEN WE NEED YOUR EARNEST COOPERATION, SO LETS GET TOGETHER AND PUT THIS OVER WITH A BANG!

Sincerely yours,

ENTERTAINMENT COMMITTEE

Lawton Hughes  
Chairman.
