BOAT HOUSE
FOOT OF VAN NESS AVENUE
SAN FRANCISCO

February 6, 1923.

To The Officers and Members,
Dolphin Swimming & Boating Club.

Due to the installation of the newly elected officers, it was impossible to put our usual monthly write-up to press for the month of January; hence, we shall take this opportunity of relating a few incidents which should not be passed by without some short comment.

ANNUAL BANQUET AND INSTALLATION.

First of all, it is only fitting that a few words be said relative to our annual run, dip and installation which was held at "Shorty" Roberts. To these who attended nothing need be said, but to the unfortunate absentees, we offer our deepest regrets for their having missed the capping climax of the year. Our only regret, after having partaken in such a delightful banquet and dancing to the strains of Buzzette's Jazz Orchestra, was the thought that we must all wait one year hence before the repetition of this delightful affair. The manner in which all events were held was indeed a glowing reflection upon the committee in charge, and we anticipate, that all future events shall be run in the same orderly manner.

The installation of the newly elected officers for the year 1923, was carried on by our retiring president, Mr. S. Johnson, and at the formal meeting held January 10th, these officials were assigned to their respective positions.

NEW BOATHOUSE RULE.

At the last regular meeting, on a motion made by Mr. J. Cronin and seconded by Mr. A. Bertrand, the following rule was added to the Boathouse rules, and all members are hereby notified:

"That any member using, having in his possession, or showing effects of intoxicants, shall be subject to a fine of not less than \$2.50 and expulsion from the event; furthermore, that all non-members guilty of using, having in their possession, or showing any effects of intoxicants, shall be expelled from the event and their names stricken from the club's mailing list".

Remember, the job is but half completed, so let us finish with the same "Pep" and "Zip" as when we started.

Due to unforeseen conditions, Al. Hagedorn, was forced to resign from Captaincy. Herb. Maunder, is filling the vacancy until a permanent appointment can be made.

There seem to be an exceedingly large list of delinquent on the Financial Secretary's report for this month. Get the habit, its easier to pay one month than two: if unable to attend the meetings, simply mail a check or money order c/o Mr. Frank Staib #633 Frederick St.

The next regular meeting will be held in Judge Graham's courtroom on March 14, 1923, at 8:00 P.M. Sharp.

Sincerely yours,

John A. Gassman

Recording Secretary.
