

Letter

June 27, 1923.

Mr. H. DeGraff Austin, Secty.,
San Diego Rowing Club,
San Diego, California.

Dear Sir:-

In reply to your letter of the 25th - the matter of Hand Ball will be handled by Capt. C. H. Doherty, of the South Ends, also the list of names entitled to receive concessions offered by Tent City and Coronado Hotel.

A copy of your letter was handed to Mr. Vernon Showell, who suggested Capt. Doherty to take care of all details in conjunction with arrangements necessary, as Doherty will leave Friday, the 29th, on the "Harvard."

So far twenty-three of the oarsmen and immediates will leave on that boat, the balance to follow on train or motor down.

Pleased to hear of the contemplated housing arrangements for the boats.

Vernon Showell regrets his failure to secure pictures of oarsmen in time, owing to newspapermen failing to keep promises made. Suggests arrangements to have pictures taken at San Diego soon as convenient. Will cover San Francisco publicity this week.

Enclosed find list of entries for San Francisco Clubs:
