To The Officers and Members of the
Dolphin Swimming and Boating Club:

THE SUNDAY AFTERNOON CRAWL

There is only one place to go on Sunday afternoon, February 5th, to have a good time and that one place is the Dolphin Club. If you won't take my word for it, just question our "1922 Chairman of Entertainments", Mr. Reynolds J. Barbeiri and you will be reassured that the coming affair will "knock'em dead". It has been some time since the followers of the "Terpsichorean Art", have had the pleasure of rubbing their "O'Sullivans" on our "planks". The unquestionable Al. Lieb's Orchestra, who make the followers of "Roberts-at-the -Beach", forget their "rheumatism" and troubles will be on hand to give Sunday's patrons a most pleasant afternoon. The chairman also wishes me to announce that the "Jesse James" for the three hours of struggle will be a "buck a couple".

SIGNS OF SPRING

It will not be long before the snap of oarlocks and persistent voice of the coxswain from our barges will be heard in the still hours of the early morn down on the "Old Pond". Already, our caretaker to whom a word of praise is due, has the boats in first class shape, while the oar blades are glistening with the newly painted "Blue and White" colors of the Club. Tom Harris, Gus Bertrand and Jerry Kenniff, our reliable and efficient coaches, are anxious to see as many as possible turn out for crews at an early date. You know the old saying "The early bird catches the worm" so now is the time to set your "Big Ben" for "five-thirty" before our opponents get a chance to "snap out of it".

SATURDAY NIGHT DANCE

Another event which will take place before the closing of this month will be the Saturday Evening Dance to be held at the boathouse on February 25th. No details are known at the present time but that is of little consequence, the mere mention of dance at the "Dolphin Club" is enough, for the present time at least.

REVENGE IS SWEET

The married men have waited patiently since last March to prove their superiority over the single fellows in the "art of baseball". And not wishing to have them wait any longer, the two opposing teams will "cross bats" at Point Lobos Park on Sunday Morning, March 12th at 10:00 a.m. If any of you old ball players and "has beens" have any bats or gloves stowed away in the closet "dig'em" out because this is going to be "One Big Day". And say do you remember the "Italian Feed" and the race between the Dolphin and the John Wieland that followed in the afternoon. Well, be prepared for a repeater. The single men promise to have a "FAIR" rooting section on the side lines, so it wouldn't be a bad idea for the "Dear Hubbies" to entice their "ball-and-chains" along to encourage them in this line.

SOME CLASS, EH! WHAT

We're goin to put it on pretty again and give one of those elaborate hotel dansants, the like of which was held at the Palace last year. That particular affair was sure a "brilliant" success and with the increasing number of followers that are attending our dances, it is without a doubt that the coming affair will prove a gala occasion.

The next regular meeting of the Dolphin Swimming and Boating Club will be held in the Courtroom of Judge Graham, City Hall, on Wednesday Evening. Feb. 8, 1922.

Drop up and get an "earfull".

Very sincerely yours,

LAWTON C. HUGHES

Recording Secretary.
