

Dolphin Swimming and Boating Club, Inc.

BOAT HOUSE
FOOT OF VAN NESS AVENUE
SAN FRANCISCO

March 6, 1922.

To the Officers and Members
of the Dolphin Swimming and Boating Club,

PLAY BALL!

The "Old National Pastime" which is revived once a year by the Married vs. Single mens game, will be staged on next Sunday morning, March 12th, at Point Lobos Square field. "Gus" Bertrand, the gallant leader of the "Hen-pecked", assures us that they are all set for a "come back". On the other hand "Lucky goofs" have been gathering up quite an appetite as they have it all figured out that they won't be the "fall guy" who will have to "get-it-out-and-lay-it-down" when the "sad news" comes around for the feed which will take place at the North Point Cafe. If any of you single men who are gifted in the handling of the "Old Pill" will send in your names to the Secretary at an early date, we will be able to "fit" you into the vacant positions. From all indications this years "Horsehide contest" should prove every bit the equal of the previous affair which was a bear of game. Be prepared to come early and make a "day of it" as there will be plenty of "doings" for everyone.
BATTER UP!

The following is a clipping that is self-explanatory and contains a world of truth.—

"THE CLIQUE"

What is the clique? 'Tis those who attend
All of the meetings, on whom we depend,
They never are absent, unless they are sick—

These are the ones the grouch calls "The Clique".
The ones who are never behind with their dues,
Who come to the meetings and have their own views,
They'll serve on committees and never say "die".
"The Clique" are the ones who always "get by".

We all should be proud of members like these—
You can call them "The Clique" or whatever you please;
They never attempt any duties to shirk;
These are "The Clique" that do most the work.

But there are some people who always find fault,
And most of this kind are not worth their salt.
They like to start trouble, seldom will stick;
They like to put all the work on "The Clique".

"ONE GOOD DANCE DESERVES ANOTHER!"

There seems to be no limit to the popularity which our good Club is gaining in the way of Social doings. Every affair has shown a marked increase in both attendance and receipts over that of the previous one. The coming dansant at the Fairmont Hotel on Saturday evening, April 29th, should prove no exception to the rule as the "Old get together" spirit is again coming into its own at all our functions. This is an occasion which we should look forward to every year for a good time, like we have been accustomed to doing at our other annual affairs. Don't forget there is always that "make yourself-at-home" feeling whenever there is a Dolphin gathering, be it at the "fashionable hotel" or down at our own "humble" bathhouse.

LOOKS LIKE A FRAME UP!

Terkelson and Henry, photographers, at 1240 Market are waiting for about a half dozen more members to come down and have their "mugs" taken so they can complete our frame for the clubhouse. The special offer of four sittings for one dollar should prove a very attractive inducement to the members. Just think when you get old and wear "chin whiskers" you will be able to bring your old friends down to the club and let them focus their "orbs" on your "Rand McNally" of twenty or thirty years before.

SIGN UP!

From the way the "boys" have been "signing up" for the Annual Handball Tournament which will commence on Sunday morning, March 19, it appears that some "keen" competition will be in evidence. The players will be divided into two classes which will give both the "stars and the tyors" an even break for the honors. So if you have not put your "John Henry" on the entry list yet for the "love of mike" shake a "leg" and do it. Let's put some jazz into this affair.

The next regular meeting of the Dolphin Swimming and Boating Club will be on Wednesday evening March 8th, in the Courtrooms of Judge Graham, City Hall.

Sincerely yours,

LAWTON C. HUGHES

Recording Secretary.
