

HOT DOG! A DAY FOR THE LADIES

Now tell me, what could be sweeter than a day of dancing and atheletic stunts for the ladies. With a balcony "chuck" full of the fair sex, who wouldn't try to break a few oars beating the crew. Don't forget to tell your friends to be on hand at 10 a.m. Sunday morning, June 4th because there will be something doing every minute. Hot coffee and "weenies" will be served to the guests after the races but be on the safe side and bring your lunch if you possess an abnormal appetite. "Gee, won't Jimmie Cronin run those hot dogs ragged.

An entry list will be posted in the club house for those who wish to participate in the rowing activities. Don't be bashful, SIGN UP.

HOTEL AFFAIR WAS THE "SNAKE'S HIPS"

In other words the Annual Dansant in the Gold Room of the Palace Hotel on Saturday Evening April 29th, was by far the most "brilliant" affair the "Dolphinites" have gathered at in many months. With a happy crowd, "classy surroundings", and excellant music the dancers "hung around" until the orchestra played "Home Sweet Home" before they would depart to put on the mid-night feed bag.

Congratulations to you Mr. Barbeiri for your successful efforts. When do we step again?

The next regular meeting of the Dolphin Swimming and Boating Club will be held on Wednesday Evening May 10, in the Courtroom of Judge Graham, City Hall at 8:30 p.m.

Sincerely yours,

LAWTON C. HUGHES
