## 38TH GOLDEN GATE SWIM SUNDAY, SEPT. 11

### DOCK FUND STILL GROWING

Fifty per cent of the Club membership has generously responded to the emergency appeal for the Dock Fund by contributing a total of \$846.00 to date.

Four piles have been driven and a new dock constructed extending 20 additional feet at a cost of \$1690. Lumber for decking was purchased for \$80.00 and the work done by Club work parties. The remaining work entails the purchasing and rigging of new cable, and the painting and decking of the old ramp.

We expect to have the dock facilities in working order by the time of the Golden Gate Swim.

If you are one of the members who has been meaning to send that check in to Stan Rybicki, but have just not gotten around to doing it, how about mailing it in today?

### WELL DONE! - RACCOON SWIM COMMITTEE

Combined efforts made the Fifth Annual Raccoon Straits Swim, annexed by Bill McIvor for the third time, a grand success.

Lawton Hughes had set the tide at approximately 11:00 a.m. and the field of 25 men got across in good time. Frank Adams posted a large finish marker you could see from Angel Island and was efficiently assisted on the finish by Tim O'Shea, Marian Kane, and Bob Campbell.

Stan Rybicki arranged for the lunch, which received much favorable comment, at the Corinthian Yacht Club.

### SPECTATORS VIEW SWIM FROM BOAT; DANCING AT CLUB FOLLOWS EVENT

Thirty-four men have entered the Club's 38th Annual Golden Gate Swim scheduled for Sunday, September 11.

### LES HENDRY BEATS TRAFFIC PROBLEM

In 1927 and 1928 Les Hendry rowed from the Dolphin Club to Stockton. The latter was a race in a doubles among the Dolphins, South End, Ariel and the Alameda Boat Club.

After 17 years, 54 year old Les decided to recapture his youth and set out in the single pleasure boat, the "Don Baggiani," for a 105-mile row to Sacramento last August 31.

Hendry said the row would take approximately one week. "It's one way to beat the traffic," he commented.
