Sir,

I have to acknowledge the receipt of
your letter of the 10th inst. covering a power of
attorney to enable me to receive from Government
certain monies due to the municipality of
Shefford - and having applied for the same
in your name. I have received from the
Provincial Secretary the following reply in
writing "More licenses may have been
issued for Shefford since the Inspector furnished
his return, and if so, the amount will be paid
as for the current year."
