

So that it appears there are no arrears at
present due. I have therefore to return your
Power of attorney - dated 10th inst. as it is not
required.

At the Receiver General's Office. Genl.
Powers of attorney are preferred as they do away
with the necessity of granting new powers whenever
money due - I beg therefore to enclose a form
in duplicate to be filled up and executed
whenever you see fit it must however be done
under seal.

I remain

Yours obedt servant
