Mr. Jacob S. Glen.

Sir,

Your letters of the 26th of
May and 6th Inst. were duly
received - on inquiry I find
the Attorney General of N. J. made
in 1808 was a Mr. Tenth who
I rather think has been dead
for some years and the
Office has been filled by
several individuals since
his time I apprehend there
fore you will meet with
some difficulties in arrang-
ing an affair of so old a
date
