My dear Sir
I was yesterday furnished with your
of the 9th giving me copies of several of your
forwards, among which is your letter, which I am
I have not sent down but I hope so the next morning
have my light they were down to be, the first time you
but as I have little time down the more I get clear to
thought good, it has now at 10/6 - I am from what
you mention that I have an idea for this is the
can with us, as to the glass 12 x 18 in. I think each of
"for the Bank where a number of persons are looking
I believe they must know it let the fair be what it may
if it can be got - he wrote you the other day in
some of your letters you made it in a year last letter
as to the paper that do not give yourself so much
trouble about it, if we do to want it next summer
I don't say we will sell it you may then say of course
I am I have been there but I write you about the last
now the is a number of blacking as you look as her
No 52 which has not yet come but I suppose like the days
if we make the reference after a time. I suppose we make
than get it yesterday as a great deal of the goods come to
