[underlined]

Sir,

In acknowledging the receipt of your letter of the 28th [unknown word] respecting the late James H. Carrier's lease of Indian lands at the Grand River, I beg to state in reply that I have looked carefully for it among the papers which were handed over to me from the Indian office on my coming into the Trust, as well as among the various documents which have been transmitted to me since, but without success. I found a Petition to Sir John Colborne from various persons holding Indian leases in the [unknown word] District but Mr. Carrier's name is not among them.

I [unknown word] Sir,

Your very obed. Servant,

William Hepburn

[unknown word] Trustee for the Six Nations
