

I am very depend upon that
thou they have fallen into
the hands so that we will
never get them

I am extremely sorry that
we should not have had an
opportunity of shipping this Port
and pearl we get, of which we
have now 23 barrels - in store
as I almost fear it will
not get down to you in time
to ship this fall by which
means the price will be
on the decline however we
cannot help it at least I
could not. I hope however that
to day or tomorrow we will

get it off

It is almost too late to be
sending to you for any thing but
if there is any chance of its coming
up you had better send us

a cask of Blacking & some of
that small round box

also 2 Barrels of fish oil

paint oil is so dear that
we have sold two Barrels of
that fish oil mostly for painting
outside work - Excuse this

- 1 Bbl Blacking
- 2 " fish oil
- 2 Barrels small
round box

Yours in haste
