GENTLEMAN,

FROM the repeated applications I have had from Printers in the Colonies and Foreign Parts for information respecting the cost of Types, Presses, Ink, Rollers, and other Fittings of a Printing Office, I have been led to turn my attention to the matter, and accordingly have made such arrangements with the well known and respectable House of WOOD & SHARWOODS, Aldersgate Street, London, (whom I can confidently recommend to your notice,) as will insure the prompt execution of any Or- [The page ends here]
