The claim of Mr. [Aupreston?] Jones of and the [?] for [?] made in the year 1800 under the direction of the late Captain Brand is now under the consideration of the Trustees, and Mr. Jones has proposed that his purchase minies [mines?] of the following Lots which were sold to him at [?] [?] in the months of May 1831 and 1832 should be set off against his demand. I wish, however, [ful? Is acceded to Lot No. 42 North [?] of Colborne [P?]
