The Waldorf-Astoria
New York.

Dear old (Ha?)

I want to (tell?) you that Ida has not yet waived your [unknown word], but is looking forward with such pleasure to having it when we reach Toronto to (lady?) in June – we left it with the other [unknown word] in Toronto for [unknown word] an amount of the duty.

We were awfully sorry you could not have been at our wedding but hope you will be in Toronto some day soon and see us in our [unknown word] house where you (will?) (be?) so welcome

(REVERSE)

Ida [unknown word] we in best wishes

Yours as we [unknown word]!
