Notice Regarding Mark on Work

DEAR STUDENT:

When a subject consists of one Paper only, as is the case with the work herewith, we mark the percentage on the certificate of completion of the subject, and do NOT make out a small percentage certificate. When a subject is divided into several parts, no mark is given on the certificate of completion, but a student can ascertain his average on the subject by adding together the marks received on each part and dividing the sum by the number of parts.
