

# HIGH SCHOOL BAND'S FIRST APPEARANCE

H-R Oct 8, 1936

Will Play At "Frolics  
Of 1936" Friday  
Evening.

The people of Grinnell and vicinity will have their first opportunity to hear the high school band Friday evening as they are scheduled to play six numbers at the performance in the high school auditorium which is being given in connection with the "Frolics of 1936". Friday concludes the fifth week of school and the band has had just that amount of time to get organized and practice for their initial appearance under the direction of Paul W. Behm, director. Even in this short time it is reported that the organization is showing unusual musical ability and the public will undoubtedly receive a fine sample of their good work.

Paper profiles of each candidate for queen were posted in the rear and the front of the assembly room Wednesday morning and as a beautiful conclusion to the performance in the auditorium on Friday evening, Supt. V. D. Patterson will present the Queen of the Frolics of 1936 who will be crowned by Principal T. T. Cranney.

A parade advertising the frolics will be staged on the streets of the business district about four-thirty Friday evening and there will be plenty of side shows at the entertainment to furnish fun for all.

The standing of the queen contest at the last count was as follows:

Freshman:

Betty Jean Taylor, 450 votes;
