

RAZELLE CLUB.

The Razelle Club was organized November 18, 1921, with nine members. It was organized as a social club, with no study programs in mind. Our membership was limited to sixteen but was later changed to eighteen. Four of the original nine members are still in the club. We have a small fund, and with this. We have helped in almost every community drive and have contributed at Christmas time to those needing

help.

The club meets the third Thursday of each month for a social afternoon, besides the many delightful parties and picnics we enjoy with our husbands.

We sincerely regret the loss this year of our beloved member, Willa Little.
